

1. Creating

The screenshot displays the SAP Fiori Elements App interface. At the top left, the SAP logo is visible next to the text 'Preview for Fiori Elements App'. The main area of the app is a light gray background with several horizontal bars representing data or navigation elements. A modal dialog box titled 'New Object' is centered on the screen. This dialog has a white background and a thin border. It contains a label 'StudID: *' followed by a text input field. At the bottom of the dialog, there are two buttons: 'Continue' (in blue) and 'Cancel' (in gray). A small blue icon is visible to the right of the 'Cancel' button. The overall layout is clean and modern, typical of SAP Fiori design.
